## PROFESSIONAL EXPERIENCE

---

**Community Manager & Designer** | **W Social AB** | *February 2026 – Present*

- Manage and grow digital communities across social media by creating engaging visual and written content.
- Design brand assets including logos, banners, social media visuals, and marketing materials to maintain consistent brand identity.
- Plan and execute social media strategies to increase audience engagement and brand visibility.
- Create content calendars and coordinate posts to maintain active communication with audiences.
- Analyse engagement metrics to improve content performance and community interaction.

**Digital Designer & Researcher** | **Tobii Dynavox** | *April 2025 – June 2025*

- Conducted 23 qualitative interviews and analysed survey data to uncover systemic barriers in traditional recruitment practices.
- Designed a comprehensive DEI Hiring Toolkit including accessible job description templates, inclusive interview formats, and evaluation guidelines.
- Proposed a measurable DEI roadmap and KPIs for long-term tracking of inclusion efforts.
- Presented strategic recommendations to stakeholders, emphasising human-centred, accessible, and equitable design solutions.

**Strategist & Brand Researcher** | **Umbra Organic** | *September 2025 – December 2025*

- Led brand, market, competitor, and product research for a mushroom supplement startup.
- Analysed industry trends and identified cultural, behavioural, and purchase patterns.
- Conducted qualitative and quantitative research; translated insights into user personas, strategy, and a full product roadmap.

**UI/UX Designer** | **Nightlist** | *January 2025 – February 2025*

- Designed a user-centred mobile app for discovering and planning club nights in Stockholm, improving event attendance for local venues.
- Built a scalable design system and interactive high-fidelity prototypes in Figma.

- Conducted user research and usability testing, resulting in 30% reduced navigation friction and improved task completion rates.

#### **UI Designer & Brand Identity Designer** | **Budi Group** | *November 2024 – December 2024*

- Designed and developed the complete brand book for Swedish second-hand shop BUDI, grounding the visual identity in sustainability and affordability.
- Established logo systems, typography hierarchy, colour palette, and layout guidelines for consistency and scalability.
- Created UI component guidelines for buttons, forms, navigation, and layout to support product development.
- Applied Scandinavian design principles to balance aesthetic appeal with digital usability.

#### **UI/UX Designer – Social Impact** | **Maria Ungdom** | *September 2024 – October 2024*

- Created a mobile application to support youth mental health in Sweden with features including emergency calling, journaling, treatment tracking, and mindfulness tools.
- Designed accessible user flows, wireframes, and prototypes focused on simplicity, comfort, and inclusivity.
- Implemented gamified UX flows, resulting in 25% higher daily engagement.

#### **UI/UX Designer** | **Dr. Mahmoodinejad's Pharmacy** | *April 2022 – December 2022*

- Designed logos, business cards, and signage for the pharmacy's brand identity.
- Redesigned the pharmacy's digital presence with updated brand visuals and improved UX flows.
- Collaborated with product managers and marketers to align digital experience with business goals.

#### **Visual Designer & Marketing Strategist** | **Dr. Safa Mahmoodinejad Pet Clinic** | *February 2023 – December 2023*

- Designed brochures, posters, banners, and digital marketing assets for the clinic.
- Created a new website UI and improved UX through interactive prototypes.
- Boosted online engagement by 35% through UI/UX redesigns and targeted digital marketing strategies.

#### **Brand & UI Designer** | **Mehr Arad Urum Rashin** | *January 2019 – December 2019*

- Designed web and mobile UI components ensuring brand consistency.
- Developed logos, colour palettes, and typography systems aligned with branding guidelines.
- Created custom illustrations, infographics, and marketing materials to enhance engagement.

#### **Brand Identity & Product Designer** | **Tem Architecture Group** | *September 2017 – December 2018*

- Designed front-end UI and visual elements for the company's website.
- Created high-quality architectural illustrations and branding assets.
- Managed copywriting and content strategy for digital platforms.
