PROFESSIONAL EXPERIENCE

W Social AB, Stockholm — Community Manager & Designer **Feb 2026 – Jun 2026**

- Managed and grew digital communities across social media through engaging visual and written content.
- Designed brand assets including logos, banners, social media visuals, and marketing materials to maintain consistent brand identity.

Umbra Organic, Remote — Strategist & Brand Researcher **Oct 2025 – Dec 2025**

- Led brand, market, competitor, and product research for a mushroom supplement startup, including 10+ qualitative interviews.
- Translated research into personas, strategy, and a full product roadmap; proposed MahyLab, a customizable supplement concept.

Tobii Dynavox, Remote — Digital Designer & Researcher **May 2025 – Jun 2025**

- Conducted 23 qualitative interviews and analysed survey data to uncover systemic barriers in traditional recruitment practices.
- Designed a DEI Hiring Toolkit including accessible job description templates, inclusive interview formats, and evaluation guidelines.
- Proposed a measurable DEI roadmap and KPIs, presented to stakeholders.

Nightlist, Stockholm, Hybrid — UI/UX Designer **Jan 2025 – Feb 2025**

- Designed a user-centred mobile app for discovering and planning club nights in Stockholm, improving event attendance for local venues.
- Built a scalable design system and high-fidelity prototypes in Figma.
- Conducted user research and usability testing, resulting in 30% reduced navigation friction and improved task completion.

Budi Group, Remote — UI Designer & Brand Identity Designer **Nov 2024 – Dec 2024**

- Designed and developed the complete brand book for Swedish second-hand shop BUDI, grounded in sustainability and affordability.
- Established logo systems, typography hierarchy, colour palette, and UI component guidelines for scalability.

Maria Ungdom, Sweden, Remote — UI/UX Designer – Social Impact**Sep 2024 – Oct 2024**

- Created a mobile app supporting youth mental health in Sweden, including emergency calling, journaling, treatment tracking, and mindfulness tools.
- Designed accessible user flows, wireframes, and prototypes; implemented gamified UX flows resulting in 25% higher daily engagement.

Dr. Safa Mahmoodinejad Pet Clinic, Iran, Contract — Visual Designer & Marketing Strategist**Feb 2023 – Dec 2023**

- Designed brochures, posters, banners, and digital marketing assets; created a new website UI with interactive prototypes.
- Boosted online engagement by 35% through UI/UX redesigns and targeted digital marketing strategies.

Dr. Mahmoodinejad's Pharmacy, Iran, Contract — UI/UX Designer**Apr 2022 – Dec 2022**

- Designed logos, business cards, and signage for the pharmacy's brand identity; redesigned its digital presence with updated UX flows.
- Collaborated with product managers and marketers to align the digital experience with business goals.

Mehr Arad Urum Rashin, Iran, Freelance — Brand & UI Designer**Jan 2019 – Dec 2019**

- Designed web and mobile UI components ensuring brand consistency across platforms.
- Developed logos, colour palettes, typography systems, illustrations, and marketing materials.

Tem Architecture Group, Iran — Brand Identity & Product Designer**Sep 2017 – Dec 2018**

- Designed front-end UI and visual elements for the company website; created architectural illustrations and branding assets.
- Managed copywriting and content strategy for digital platforms.
